AND

Their workmen.

PRESENT:

Shri L. P. Dave.—*Presiding Officer.*

APPEARANCES:

On behalf of employers.—Shri D. Chatterjee.

On behalf of workmen.—Shri Keshab Banerjee, General Secretary, Colliery Mazdoor Union.

STATE: West Bengal.

INDUSTRY: Coal Mines.

AWARD

The Government of India, Ministry of Labour and Employment, by their order No. 6/16/64-LR11, dated, 5th May, 1964, have referred the industrial dispute existing between the employers in relation to the Pure Kajora Colliery and their workmen in respect of the question whether the action of the management in dismissing Shri Baiju Bhuiya from service was justified and if not, to what relief the workman was entitled, for adjudication to this Tribunal.

2. After the parties had filed their written statements, the matter was fixed for hearing yesterday. The workman concerned was being examined before the Tribunal when a suggestion was made that the parties might try to settle the matter amicably. Thereupon the parties asked for time till to-day which was granted. To-day the parties stated that they had entered into a compromise and produced a memorandum of settlement, copy appended herewith.

3. The dispute refers to a workman named Baiju Bhuiya who was dismissed and the charge against him was that he had assaulted the Welfare Officer. Under the terms of the settlement, the workman concerned has expressed regret and offered apology for whatever incidents happened in the colliery and assured the management that he would work diligently and faithfully in future. In view of this expression of regret and apology by the workman, the employers have agreed to reinstate him and the period of his non-employment is to be treated as leave without pay. In my opinion, the compromise is fair and reasonable. I therefore accept it.

I pass an award in terms of the compromise.

The 18th July, 1964:

Sd./- L. P. DAVE.

Presiding Officer.

BEFORE THE CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL: CALCUTTA

REFERENCE No. 28 OF 1964

PARTIES:

Employers in relation to Pure Kajora Colliery.

AND

Their workmen.

The workmen and the employers in the above reference jointly beg to submit that in deference to the Hon'ble Tribunal's suggestions they have decided to settle

the dispute covered under this reference on the following terms and beg to place the matter for your kind approval:

TERMS

1. Without prejudice to my parties' case, the workman concerned in this dispute Sri Baiju Bhuiya No. 3 expresses regret and offers apology for whatever incident happened in the colliery and assures to work diligently and faithfully in future.

2. That in view of such expression of regret and apology by the workman, the employers have agreed to re-instate the workman in his former post and service with effect from 20th July, 1964. The period of non-employment will be treated as leave without pay.

3. The management says that they are facing a crisis that it might be necessary for them to retrench some trammers. The employers' right to retrench this workman in the normal course is not prejudiced.

4. The workmen on the other hand say that there is no necessity of any retrenchment now or in near future. This compromise does not prejudice the workmen's right to challenge the legality and bonafides of retrenchment if and when made.

5. That the parties will bear their own costs.

The parties therefore humbly pray that the Hon'ble Tribunal will be pleased to pass an award in terms of the settlement.

2. After the parties had filed their written statements, at the adjourned hearing of this dispute before me on Saturday 18th July 1964, Shri H. K. T. Anklesaria and Company, Bombay and their workmen represented by the Transport and Dock Workers' Union which was received by the Central Government on the 1st August 1964.

BEFORE SHRI SALIM M. MERCHANT, ARBITRATOR

PARTIES:—

P. T. Anklesaria & Co., Bombay.—*Representing employers.*

AND

Transport and Dock Workers' Union, Bombay.—*Representing workmen.*

PRESENT:—

Shri Salim M. Merchant, Arbitrator.

APPEARANCES:—

For the employers:—Shri K. K. Singhvi, Advocate with Shri H. M. Sayani, General Manager.

For the workmen:—Shri S. R. Kulkarni, Secretary, Transport and Dock Workers' Union.

STATE:—Maharashtra

INDUSTRY: Ports and Docks.

Dated Bombay, the 29th July 1964.

AWARD

By an agreement dated 22nd November, 1963, under Section 10A of the Industrial Disputes Act, 1947, the parties above-named agreed to refer the industrial dispute on the demands submitted to the Employers Messrs P. T. Anklesaria & Co. on behalf of its dock staff by the Transport and Dock Workers' Union, Bombay, (hereinafter called the Union) under its letter No. TD/26/471/63, dated 28th February 1963, annexed to the said agreement, to my arbitration. The Union's letter dated 28th February, 1963 contained the 16 demands re-produced below.

After the reference was made and published in the Government of India Gazette, Part II, Section 3(ii), dated 4th January 1964, at pages 101 to 105, Shri S. R. Kulkarni, Secretary, Transport and Dock Workers' Union, filed his statement of claim dated 12th February 1964 on behalf of the workmen and the employer company filed its reply statement dated 10th April 1964. Thereafter I heard the submissions of the representatives of the parties and on a consideration of these submissions and the documents filed during the course of the hearings, I make my award on the different demands as stated below. I may, however, state that my award on several of the demands is in terms of the agreement reached thereon by the parties at the hearings before me. In making my award I have taken into consideration the admitted fact that the contract of Messrs P. T. Anklesaria & Co. with Government for clearance and transport of foodgrains from the Bombay Docks stands terminated with effect from 1st August 1964.

Demand No. 1:

Permanency of service: All employees who have completed three months of service should be considered permanent and should be paid monthly salary.

At the hearing on 25th July, 1964 the parties were agreed that the award on this demand should be in terms of paragraph 2 of the award of Shri S. M. Dikhale, Regional Labour Commissioner (Central), Bombay, dated 9th July, 1964, (in the reference made to him by the parties herein as Arbitrator by a memorandum of settlement dated 14th April 1964) which is in the following terms:—

"The members of daily rated clerical staff such as wagon loaders, cartchit clerks, dock office clerks, helpers etc., who have worked on an average twenty shifts in a month during the period from 14th April, 1962 to 13th April, 1964 shall be treated as permanent employees with effect from 1st August 1963. They shall be brought with effect from 1st August 1963 on monthly scale of pay that will be awarded by the Arbitrator Shri Salim M. Merchant in a reference made to him by Government of India under Order No. 28(106)/63-LRIV, dated 21st December, 1963 and which is pending before him at present."

I may state that the reference to the arbitration proceedings before Shri Salim M. Merchant refers to these proceedings before me and the monthly scales of pay referred to therein are the monthly scales of pay under demand No. 3 herein.

Therefore, on demand No. 1 herein, I make an award in terms stated above.

Demand No. 2:

Classification and Categorisation: All employees should be classified and redesignated in accordance with their work as per details of categories in demand No. 3.

At the hearing before me on 25th July, 1964, the union stated that without prejudice to its contention that a re-classification was justified, in view of the fact that this company will cease operating from 1st August, 1964, it does not press for any change in the classification and categorisation as shown in the company's statement annexed to the order of reference herein. This demand is, therefore, dismissed as not pressed.

Demand No. 3:

Pay scales and wages: All permanent and temporary employees should be paid the following pay scales and wages in accordance with the nature of their work:—

Daily Wage	Designation	Monthly pay scale
Rs. 7-50	(a) Dock Supervisors and Office Superintendent.	Rs. 320—20—400—30—460.
	(b) Shed Supervisor, Asst. Office Superintendent, Rly. Supervisor, Scale Supervisor, Movement Supervisor.	Rs. 180—10—200—15—320.
Rs. 6-25	(c) Asstt. Shed Supervisor, Asstt. Rly. Supervisor, Office Senior Clerk, Wagon Loading Supervisor.	Rs. 130—10—190.
Rs. 5-63	(d) Dock Clerk and Office Clerk	Rs. 90—7—132—8—156—9—165—10—175.
	(e) Messenger and Peon.	Rs. 90—5—125.

The present wages of each of the 59 dock workers of the company (excluding the three workers, who were dismissed and have been reinstated in terms of a settlement reached before me in industrial dispute Reference No. CGIT-32, 33 and 34 of 1964) are as stated in the statement annexed to the application, for reference to arbitration herein. It is admitted that a 5 per cent. increase in their wages was granted after completion of one year's service with this company upon a representation dated 24th June, 1963 was received by the employer company. Shri Kulkarni for the Union at the hearing pressed that that was an annual increment and that at least one increment of 5 per cent had thereafter become due and should be awarded.

8. I have heard the submissions of the parties and I am satisfied that the 5 per cent increase granted by the company was an *ad hoc* increase and did not constitute an annual increment. In view of the fact that the contract of the employer company for clearance and transport of foodgrains has been terminated with effect from 1st August, 1964, and considering the present position of the Company in my opinion there is no justification for this demand. The company's contract of foodgrains clearance and transport has lasted only from 14th April, 1962 to 31st July, 1964 and there cannot be any question of granting its employees incremental scales of pay and wages.

9 This demand, however, also covers the daily rated workmen. The company at present is paying Rs. 4/- per day to its daily rated workmen. Shri S. R. Kulkarni appearing for the union stated at the hearing that the lowest paid daily rated stevedore worker in the docks i.e. the daily rated tally clerk, is today paid a wage of Rs. 6-18 per day. After hearing the submissions of the parties I am of the opinion that the wage of the daily rated workmen should be raised from Rs. 4/- to Rs. 4-60 per shift and that it should be paid with retrospective effect from 1st August, 1963. I further direct that the amounts due to the daily rated workmen under this award should be paid to them within a month from the date this award becomes enforceable. I may say that this would bring these workmen almost on a par with the ten workmen to be confirmed under Shri Dikhale's award, some of whom will get the monthly rated wage of Rs. 120/- per month as paid to cartchit clerks with effect from 1st August, 1963.

10. Demand No. 5:

Dearness allowance: All employees should be paid dearness allowance at the following scale which is as per the Government of India scale adopted by the Bombay Stevedores' Association Ltd.

Basic Salary	Monthly D.A.
Rs. 1 to Rs. 100	Rs. 50/-
Rs. 101 to Rs. 150	Rs. 55/-
Rs. 151 to Rs. 200	Rs. 60/-
Rs. 201 to Rs. 250	Rs. 65/-
Rs. 251 to Rs. 300	Rs. 70/-
Rs. 301 to Rs. 350	Rs. 75/-
Rs. 351 to Rs. 400	Rs. 80/-
Rs. 401 to Rs. 450	Rs. 85/-
Rs. 451 to Rs. 500	Rs. 90/-
Rs. 501 to Rs. 550	Rs. 95/-
Rs. 551 to Rs. 600	Rs. 100/-

11. The Union claims dearness allowance at the above scale which according to it are the rates of dearness allowance of the Government of India and adopted by the Bombay Stevedores' Association. At present the wages and salaries of the workmen are consolidated and there is no separate payment of dearness allowance. For the reasons stated by me on demand No. 3 I reject this demand also.

12. Demand No. 4:

Fixation—All permanent employees be fixed in their respective scale taking into consideration their past experience and the salary drawn, provided that no one gets less than three increments in their respective scale.

This is a consequential demand following upon demand No. 3. As I have rejected the demand for pay and wage scales under demand No. 3, this demand also fails.

13. Demand No. 6:

Acting Allowance:—In case an employee in a category is required to perform the duties of another category with higher scale of pay, he should be paid the difference between the salary drawn by him and the lowest salary in the scale fixed for the category which he is required to work as acting allowance.

At the hearing of this demand on 17th April, 1964 it was agreed that an employee officiating in a higher post would get the minimum of the pay drawn by the person for whom he officiates with at least a minimum increase of Re 1/- in his wages per shift and I award accordingly.

14. Demand No. 7.

Overtime:—All employees should be given equal opportunities of overtime work. Work performed beyond normal duty hours and on E.P.T, dock holidays and Sunday the weekly day of rest, should be paid at double the rate of wages.

At the hearing of this demand before me on 17th April, 1964 it was agreed that as far as possible there would be an equal and equitable distribution of overtime work. It was also stated on behalf of the company that it is paying overtime at the rate provided for in the Bombay Shops and Establishments Act, and the Union accepted this rate. For work on holidays and weekly offs the company pays the day's wages plus one and a half times overtime wages and this was accepted by the union and I direct accordingly.

15. Demand No. 8:

Weekly Off:—All workers should be given off with pay on Sunday as weekly day of rest.

It was agreed that if a daily rated workmen works continuously for six days, he will be paid for the seventh day, which would be a paid holiday and if there are any cases of non-payment at this rate the company undertook to pay the same. For the monthly rated, the company has declared Sunday as the weekly day of rest and if a monthly rated workman is called for work on Sunday he is paid the day's wages plus one and a half times additional wages for working on Sundays. In other words for work on Sundays the monthly rated workman gets in all $2\frac{1}{2}$ days' wages without a compensatory off and this was accepted by the Union, and I direct accordingly.

16. Demand No. 9:

Holidays:—All workers should be given holidays with pay on all holidays declared by the Bombay Port Trust as dock holidays.

It was stated at the hearing that to the monthly rated employees, the company is granting all the holidays declared by the Bombay Port Trust as dock holidays. This demand is, therefore, satisfied as regards the monthly rated employees. As for the daily rated the company's case is that they are not called for work on holidays but if they are, they are paid one and half times the day's wages, as provided under the Shops and Establishments Act. The Union claims double the rate of normal wages for working on holidays. In view of the existing circumstances of the company, I do not think any change is justified at this juncture. This part of the demand is, therefore, rejected.

17. Demand No. 10:

Promotions:—The company should not recruit any new person in the higher grade. All employees in the lower grade should be given promotion in the higher grade on the basis of seniority of service.

At the hearing on 17-4-1964, the parties were agreed that as far as possible the company would use its discretion to promote competent existing employees and not recruit outsiders; that the exercise of such discretion would be final and binding and not be the subject of any disputes, unless it was a case of victimisation, and I award accordingly.

18. Demand No. 11:

Provident Fund:—All employees should be given the benefit of provident fund and the employees and company should equally contribute to the provident fund at the rate of 8-1/3% of the salary.

In view of the fact that the contract of this company has only lasted for two years and is to be terminated on 1st August 1964, this demand is rejected.

19. Demand No. 12:

Gratuity:—All employees should be given the benefit of gratuity at the rate of 15 days salary per year of service.

This demand is rejected for the same reasons as for demand No. 11.

20. Demand No. 13:

Bonus.—All employees should be paid bonus equal to three months salary/wages per year for the years 1961-1962 and 1962-63.

The company each year makes an ex-gratia payment of 20% of the wages/salary earned by each workman during the month of October. This is more in the nature of a Diwali 'bonni', than profit sharing bonus. However, in view of the statement of the representative of the company that the company's profit and loss accounts for the years 1961-62 and 1962-63, will not be known till the pending arbitration proceedings between the partners and the company's dispute with the Government, are finalised, it was agreed by both parties that the demand be not pressed in these proceedings. But this was to be without prejudice to the union's right to raise this dispute against the present employers after the aforesaid proceedings and disputes are over and the profit or loss for each of the said two years is ascertained. The present employers agreed that they would, on the Union raising a dispute on this demand again, as stated above, make a joint application for reference to arbitration under section 10A of the Industrial Disputes Act, 1947, and I direct accordingly.

21 Demand No. 14:

Leave.—All employees should be sanctioned leave on the following basis: —

- (a) Privilege Leave—One month per year of service. Accumulative upto 90 days.
- (b) Sick Leave—12 days per year of service. Accumulative upto 60 days.
- (c) Casual Leave—12 days per year.

The company admits that it is liable to grant leave as provided for in the Shops and Establishments Act. The Union has claimed that as privilege leave of 30 days, seven days sick leave and 10 days casual leave is granted to the stevedore labour in the docks, its demand is justified on merits. Shri Kulkarni has argued that the fact that the company had originally offered to grant the leave facilities as claimed by the union, if the other demands were withdrawn by the union, showed that it had the capacity to meet the financial burden on account of the extra leave facilities claimed if the same were to be awarded. I am not satisfied that any increase in the existing leave liability of the company can possibly be awarded in view of the fact that the company's contract is to be terminated with effect from 1st August, 1964. The demand is, therefore, rejected.

22. Demand No. 15:

Holiday pay to temporary staff.—All temporary staff be paid holiday wages of 15th August 1962 and 26th January 1963.

This demand covers only the daily rated temporary staff. The company agreed to pay the wages for 15th August 1962 and 26th January 1963, to such of these workmen who were booked for work on the previous day and I award accordingly.

23. Demand No. 16:

Fired pay day.—All monthly paid employees should be paid their wages on 2nd overtime wages on 15th of a month.

This demand was not pressed at the hearing and is therefore, rejected.

23. All payments under this Award to be made to the workmen within one month of the Award becoming enforceable.

24. No order as to costs.
